WHAT?

The Erasmus+ Project www.icf-school.eu is dedicated to implement the ICF (International Classification of Functioning, Disability and Health) into kindergarten and school systems.

Following high quality outcomes are available:

01	4 Training modules (briefing packs) for professionals in educational settings including the philosophy and structure of the ICF and concrete use.	Free of charge available under https://www.icf-school.eu/index.php/en/outputs-en/output-1-en
02	Online-Tool to describe the situation of a child with health problem in a holistic way: This also includes a family-friendly version of the ICF to be able to communicate with parents equally.	Free of charge available in German, Macedonian, Albanian, English und Turkish Under https://www.icf-school.eu/index.php/en/outputs-en/output-2-en
03	Online tool to perform individual support planning processes with pupils.	Free of charge available under https://www.icf-school.eu/index.php/en/outputs-en/output-3-en
04	Test-Translator to link common psychological tests with the ICF	Free of charge available from September 2020

WHO?

The Project consists of 10 partners from Austria, Germany, North Macedonia, and Turkey.

WHEN?

The project runs between 1.9.2018 till 30.8.2021.

HOW?

All outcomes are available – free of charge – for all interested users. If you are interested to pilot our products, please contact the coordinator: Dr. Manfred Pretis (office@sinn-evaluation.at)
